Duties: Performs a variety of equipment, maintenance, repair, & machining functions associated with the inspection, dismantling, repair, fabrication, replacement, & re-assembly of mechanical equipment including chemical feed machines & conveying equipment; water supply filter & pumping mechanisms, gates, valves, screens, heating, ventilating & exhaust systems. Studies blueprints, sketches, drawings, part models, & other specifications & instructions received with work orders to learn what is to be done & then decide & plan how to do it. Uses shop mathematics & standard handbook formulas in making computations to establish dimensions. Lays out work by measuring & marking straight lines, arcs, circles, angles, location points as guides for setting up work pieces for drilling, tapping, turning, milling, boring, reaming, shaping, grinding, honing, & lapping, using a variety of measuring & marking tools. Sets up & operates machine tools, such as lathes, milling machines, grinders, & radial drills.

Who May Apply:

- All Federal employees serving on a career or career-conditional appointment.
- Department of Defense employees serving on a Career or Career Conditional Appointment.
- Army employees serving on career or career conditional appointments or equivalent.
- Reinstatement eligibles.
- Veterans eligible under Veterans Employment Opportunities Act of 1998. (VEOA)
- Interagency Career Transition Assistance Plan (ICTAP) eligibles.

Qualifications:

Candidates will be evaluated on their ability to perform the duties of a Machinist, rather than length of experience. Eligibility will be determined by the relevance, scope, and quality of all experience and training, regardless of where or how acquired. The items below should be addressed within the context of the resume. 1. ABILITY TO DO THE WORK OF THE POSITION WITHOUT MORE THAN NORMAL SUPERVISION. (SCREEN-OUT ELEMENT) 2.

Operation of machine tools. 3. Knowledge of technical practices. 4. Ability to use shop drawings. 5. Measurement and layout. 6. Ability to use hand tools for machine shop. 7. Knowledge of metals. KSAs not required. Applicants will be rated against Resumix Job Search Criteria.

WORKING CONDITIONS: Work is performed both inside and outside shop facilities. Employee is subject to injury through falls, frostbite, wetness, extreme dirt and possible drowning while working in cramped, extremely tight, or deep dewatered pits. Shop work is subject to hazards of burns from hot metal chips, dust in the lungs, cuts, bruises, injuries to hands from use of machine and hand tools, skin irritation from contact with coolants, lubricants, acids and chemicals.

PHYSICAL EFFORT: Frequently handles objects weighing 45 pounds and occasionally carries objects weighing over 45 pounds. Works in cramped positions for sustained period of time. Work requires pushing, pulling, reaching, walking, standing, stooping, crawling, kneeling and bending.

COMMENTS: Incumbent is required to maintain confined space proficiency and perform confined space entry certification. Incumbent must be able to work without fear in enclosed spaces. Incumbent must be physically able to readily access and exit manholes with diameters as small as 20 inches. Incumbent is required to obtain and maintain a non-critical sensitive level clearance; must consent to a background investigation. Incumbent is required to work scheduled, unscheduled emergency overtime. The employee may be required to wear escape respiratory protection. Employee must be able to wear protective safety equipment, such as but not limited to safety shoes, safety glasses, hardhat, safety harness, etc. Pre-employment and annual physicals are required.

Other Information:

- Permanent Change of Station (PCS) expenses are not authorized.

Other Requirements:

- Personnel security investigation required.
- You will be required to provide proof of U.S. Citizenship.
- License/Certification: Valid state drivers license is required.
- Male applicants born after December 31, 1959 must complete a Pre-Employment Certification Statement for Selective Service Registration.
- Direct Deposit of Pay is Required.
- Position requires employee to wear a uniform and/or protective clothing.

How to Apply:

- Self-nomination must be submitted by the closing date.
- Resume must be on file in our centralized database.
- If your resume is currently in our central database, you may Self-Nominate by going to the CPOL/CPOC Vacancy Announcement Board

<http://cpolrhp.army.mil/ner/index.html> , key (or cut and paste) the announcement number into the Search - Announcement field (found at the bottom of the page), click on GET ANNOUNCEMENT, then follow link within THAT announcement to self-nominate.
